# Flip or Flop's Tarek El Moussa

**Tarek El Moussa** makes risky real estate deals every day on *Flip or Flop*, the HGTV show he hosts with ex-wife Christina, from whom he split in 2016. So when he spotted this four-bedroom Costa Mesa, Calif., home—he and Christina share custody of daughter Taylor, 7, and son Brayden, 2—he says he bought it “within hours. I walked in, and it had the absolute coolest bachelor-pad-meets-family-house vibes.” He was excited to decorate from scratch. “I had nothing. When I left, I left. So I got to design and build most of the furniture,” says El Moussa, 36. He admits, however, there may be some awkwardness with his new neighbors: “Christina lives like two blocks from me.” —MACKENZIE SCHMIDT

El Moussa cozies up with Taylor, 7, and Brayden, 2, in the soaring living space (left) of their 3,000-sq.-ft. home, which boasts 25-ft. ceilings.

‘The house is actually perfect. It’s just me and my kids and my live-in nanny. I don’t see why I’d need to move’  
—TAREK EL MOUSSA

“A backyard with a pool for the kids” was a must for El Moussa.
