B

yond the iron gates, tucked away on over seven acres of lush landscape, sits **Glynalyn, The Castle**, a century-old, medieval-revival mansion. Located in the heart of Morris County, NJ, just outside of New York City, this exquisite location recently opened its doors for exclusive private events and weddings. The three-story, 32,000 square-foot historic castle offers an enchanted setting both indoors and out for any sophisticated celebration. From its picturesque gardens to its captivating interior and medieval architecture, every inch of this majestic location offers a picture-perfect backdrop. **The Castle's** many rooms allow for specialized entertaining and decor, while the exterior includes a back terrace overlooking vibrant gardens and a serene pool where a moat once stood. A stone-wall structure covered in greenery serves as a stunning backdrop for wedding ceremonies. For more information, visit glynalyn.com.
