## NOW PLAYING: MOVIES

### Once Upon a Time in...Hollywood

FRI. 7/26, R (PREVIEW)

Los Angeles, 1969: Rick Dalton (Leonardo DiCaprio) is an alcoholic actor worried that his best days are behind him, and Cliff Booth (Brad Pitt) is his trusty stuntman.

As Rick attempts to mount a comeback, their lives intersect with rising star Sharon Tate (Margot Robbie) and cult leader Charles Manson (Damon Herriman) in director Quentin Tarantino's glamorous and bittersweet valentine to retro Hollywood and the end of the 1960s.

### The Mountain

FRI. 7/26, NR

★★★★☆

After the death of his figure-skater father, a young man (*Ready Player One*'s Tye Sheridan) works as a photographer for a controversial doctor (Jeff Goldblum). Set in the 1950s, this stylish but sullen drama perks up with a wacky third act.

### Skin

FRI. 7/26, R ★★★★★

A troubled young man (Jamie Bell) attempts to leave the white supremacist group he joined as a teen, but it's going to take more than just removing his tattoos! Bell is complex and compelling in this true-life tale about a man's rocky road from racism to redemption.
