Gigi & Tyler GETTING SERIOUS

Road trip! Less than two weeks after their first date in NYC, Gigi Hadid and Tyler Cameron were spotted vacationing together in Lake George, N.Y., on Aug. 15. The getaway followed his introduction to the model's BFFs two days earlier.

"When Gigi first started talking to Tyler, she thought it was just a fling," a source says of the 24-year-old's budding romance with the *Bachelorette* hunk, 26. "But as they've gotten to know each other, things have developed quickly. No one would be surprised if they're already exclusive!"

Tarek & Heather TOO MUCH, TOO SOON?

Tarek El Moussa and his new girlfriend, Heather Rae Young, have barely begun to build a foundation for their relationship, but they're already talking about starting a family of their own. "Heather's only 31 years old. She wants to have kids, and Tarek's open to having more," says a close friend of the *Flip or Flop* star, 38, who recently introduced the *Selling Sunset* stunner to his children, Taylor, 8, and Brayden, 4, with ex Christina Anstead. "Tarek's also super competitive," adds the pal. "Ever since Christina revealed she was pregnant, he's felt the need to try to catch up with her and her husband, Ant!"
