Tarek & Christina's

CO-PARENTING TIPS

"I want my kids to know that me and Mom are OK," Tarek says of his two children, Taylor and Brayden, with Christina, 36. "We can do things together."

Flip or Flop fans couldn't decide what was more shocking: that Tarek and Christina El Moussa called it quits in December 2016 or that the exes continued to film together! Just over a year after finalizing their split, Tarek, 37 — who's new digital series *Tarek's Flip Side* premieres this month — talks dating, divorce and being a doting dad to Taylor, 8, and Brayden, 3.

HOW WERE YOU AND CHRISTINA ABLE TO CONTINUE WORKING TOGETHER AFTER THE SPLIT?

To be honest, it's just time and priorities — time helps to heal all things, and our priorities being our children. As long as we put our children first, the rest just falls into place.

WHAT ADVICE DO YOU HAVE FOR ANYONE WHO'S STRUGGLING TO CO-PARENT WITH AN EX?

At the end of the day, every move you make and every decision you make has to be for the benefit of the kids. Nothing else matters but the kids.

WHAT ARE YOU LOOKING FOR IN A PARTNER?

I'm pretty sure it's going to be impossible to keep a relationship private [he was photographed kissing *Selling Sunset* star Heather Rae Young on July 28], so if I ever end up with someone, they're going to have to be prepared for all of the public attention. **LS**
