CHRIS & LAUREN

Heaven on Earth

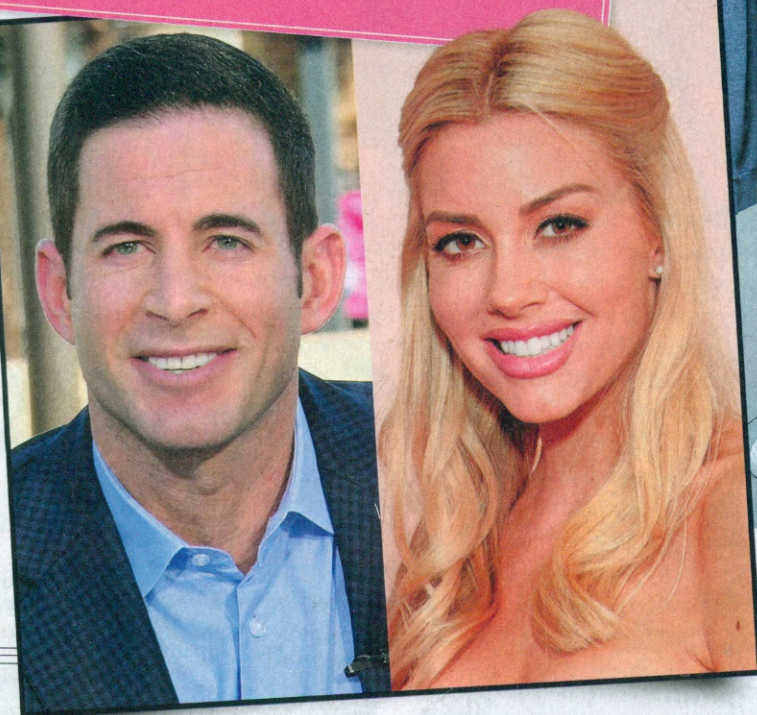

➔ Chris Harrison hands out roses too — specifically to **Lauren Zima**, his girlfriend of a year. "I'm a romantic guy," the *Bachelor* host, 48, tells *Us*. "[And it's] not just because of the show." So how does he make the *Entertainment Tonight* producer, 37, swoon? Says Harrison, "It's really [all about] quiet nights, getting away, friends, fire pits, wine — that kind of stuff is heaven for us."

TAREK & HEATHER

Making Moves

➔ Looks like **Christina Anstead** doesn't need to play matchmaker for **Tarek El Moussa** after all. The *Flip or Flop* star, 37, told *Us* last month that he'd be open to his ex setting him up on a date but has been spotted getting romantic with *Selling Sunset*'s **Heather Rae Young**. "Tarek is very into Heather," a source tells *Us*, and things are moving fast: He's already introduced Young, 31, to his kids as his girlfriend!

Dream Team!

Bart Freundlich, 49, loved directing his wife, **Julianne Moore**, 58, in their summer flick, *After the Wedding*. "She may be Sony Pictures' muse," he told *Us* during the movie's screening, presented by the Cinema Society in NYC on Aug. 6, "but she's also and always my muse."
